## INTRODUCTION

The U.S. Center for SafeSport (the Center) and USA Judo are committed to building a sport community where Participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct. Throughout this document the most commonly used terms are defined in the Terminology section after the introduction.

### Authority

The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 authorizes the Center to develop training and policies to prevent abuse—including physical, emotional, and sexual abuse—within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(1). Federal law requires that, at a minimum, national governing bodies and paralympic sports organizations *must offer and give consistent training related to the prevention of child abuse: (1) to all adult members who are in regular contact with amateur athletes who are minors and (2) subject to parental consent, to members who are minors.* 36 U.S.C. § 220542(a)(2)(E). Federal law requires that these policies contain reasonable procedures to limit unobservable and uninterrupted one-on-one interactions between an amateur athlete, who is a minor, and an adult, who is not the minor’s legal guardian, at facilities under the jurisdiction of organizations within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(2)(C).

### What is the MAAPP?

To that end, the Center has developed the Minor Athlete Abuse Prevention Policies (MAAPP). USA Judo has then adapted these policies to create this document, the MAAPP is a collection of proactive prevention and training policies for the U.S. Olympic & Paralympic Movement. This document will be comprised of two parts:

1. An Education & Training Policy that requires training for certain Adult Participants within the Olympic & Paralympic Movement;
2. Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes, that Organizations within the Olympic & Paralympic Movement must implement to prevent abuse

The Center developed the MAAPP to assist National Governing Bodies (NGBs), Paralympic Sport Organizations (PSOs), Local Affiliated Organizations (LAOs), the U.S. Olympic

& Paralympic Committee (USOPC), and other individuals to whom these policies apply in meeting their obligations under federal law (*note*: implementing these policies does not guarantee that an organization or individual fully complies with federal law or all applicable legal obligations). The MAAPP is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), Local Affiliated Organizations (LAO), and Paralympic Sport Organizations (PSO) within the Olympic & Paralympic Movement (each an “Organization”).

Some policies impose requirements on Organizations at sanctioned events and facilities partially or fully under the Organization’s jurisdiction. For example, USA Judo will monitor changing rooms at their facilities and sanctioned events. Other policies impose certain requirements on Adult Participants under the Organization’s jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants/Members cannot have one-on-one electronic communications with Minor Athletes that they coach without the parent/guardian’s approval.

The MAAPP focuses on just two important aspects of a much larger comprehensive abuse prevention strategy. These policies address training requirements and limiting one-on-one interactions between adults and minor athletes. These policies are intended to be enforceable and reasonable, acknowledging, for example, that when a 17-year-old athlete turns 18, they become an adult athlete, and a complete prohibition of one-on-one interactions may not be necessary or practical. Additionally, there may be other instances when one-on-one interactions could occur, and in those cases, these policies provide strategies so parents/guardians can provide informed consent if they choose to allow a permitted interaction. **The Center recommends that parents first complete training on abuse prevention to be informed about potential boundary violations and concerns before consenting to the interaction.**

While the MAAPP will help organizations implement these policies to greatly improve minor athlete safety, in no way can they guarantee athlete safety in all circumstances, especially when the policies are not fully implemented, followed, or monitored. These policies are not comprehensive of all prevention strategies, nor are they intended to be. These policies should be implemented alongside the [SafeSport Code](#). Additionally, other resources are available that may assist organizations in improving athlete safety.

### **How Does the Center Ensure Compliance with the MAAPP?**

Federal law requires the Center to conduct regular and random audits of the NGBs to ensure compliance with these policies. 36 U.S.C. § 220542(a)(2)(E). More specific organizational compliance requirements can be found in Part II. Additionally, it is the responsibility of the USOPC and each NGB, LAO, and Adult Participant to comply with the MAAPP. The aforementioned Organizations can act in their respective programs for violations of the MAAPP by Adult Participants. Adult Participants also have an independent responsibility to comply with these MAAPP provisions.

*USA JUDO: Minor Athlete Abuse Prevention Policies*

Violations of these provisions can result in sanctions under the SafeSport Code.

### **Is the MAAPP Different from the SafeSport Code?**

Yes. The [SafeSport Code](#) works alongside the MAAPP to prevent abuse. The MAAPP includes proactive prevention policies for organizations and individuals, while the SafeSport Code contains misconduct policies for individuals. However, violations of the MAAPP can violate the SafeSport Code, and violators can be sanctioned.

### **What is In-Program Contact?**

In-Program Contact includes sanctioned events and facilities, but it also applies more broadly to sport-related interactions. The MAAPP defines “In-Program Contact” as any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.

Examples of in-program contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

### **Does the MAAPP Have Any Exceptions?**

Yes. The MAAPP was written with certain appropriate exceptions in mind. Exceptions are addressed in each policy and may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.

- 1) A Close-in-Age Exception
  - a. This exception applies to certain policies and allows for In-Program Contact between an Adult Participant and a Minor Athlete if:
    - i. The Adult Participant has no authority over the Minor Athlete; and
    - ii. The Adult Participant is not more than four years older than the Minor Athlete.Note: This exception is different than the close-in-age exception in the SafeSport Code pertaining to misconduct.
- 2) Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete
- 3) Exceptions for Dual Relationships
  - a. This exception applies to certain policies when the Adult Participant has a dual role or relationship with a Minor Athlete. The exception requires written consent of the Minor Athlete’s parent/guardian at least annually.

Many of the exceptions require parent/guardian consent. The Center and USA Judo recommend parents take training on child abuse prevention before providing consent under these policies. [The Center offers a free Parent Course at www.athletesafety.org.](http://www.athletesafety.org)

## **Am I required to take SafeSport Training?**

Certain Adult Participants within the Olympic & Paralympic Movement who have (i) regular contact with Minor Athletes, (ii) authority over Minor Athletes, or (iii) are employees or board members of the USOPC, NGBs, PSOs, or LAOs, are required to take training. The specific training requirements can be found in Part I.

USA Judo's definition of "regular contact" can be found in the Terminology section below. Any adult participant that identifies as having "regular contact" with minors are required to take the annual SafeSport training course and must stay trained to stay in good standing with USA Judo. Along with all USA Judo coaches and referees, close contact volunteers will be required to be SafeSport trained prior to assisting with an event.

## TERMINOLOGY

**Adult Participant:** Any adult (18 years of age or older) who is:

- a) A member or license holder of USA Judo or a LAO
- b) An employee, intern, or board member of USA Judo or a LAO
- c) Within the governance or disciplinary jurisdiction of USA Judo or a LAO
- d) Authorized, approved, or appointed by USA Judo or a LAO to have regular contact with or authority over Minor Athletes

A chart that categorizes Adult Participants, as defined by USA Judo, can be found in the Appendix

**Partial or Full Jurisdiction:** Includes any sanctioned event (including all travel and lodging in connection with the event) by USA Judo, a registered club/state organization, or any facility that USA Judo or a registered club/state organization owns, leases, or rents for practice, training, or competition.

**Local Affiliated Organization (LAO):** Local clubs and state organizations that are registered with USA Judo.

**Minor, child or minor athlete:** An amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of USA Judo, a local club, state organization, or NMO

**National Governing Body (NGB):** An amateur sports organization affiliated with a sport included on the program of the Olympic, Paralympic, or Pan-American Games, which is also recognized by the United States Olympic Committee (USOC) pursuant to the Ted Stevens Olympic and Amateur Sports Act, 36 U.S.C. §§ 220501-220529. This definition shall also apply to the USOC, or other sports entity approved by the USOC, when they have assumed responsibility for the management and/or governance of a sport included on the program of the Olympic, Paralympic, or Pan-American Games.

**National Member Organization (NMO):** A national organization that is directly affiliated with an NGB, organizations such as: USJF, USJA and ATJA. Each of these organizations will be responsible for adhering to these policies and ensuring their membership follows.

**Amateur Athlete:** An athlete who meets the eligibility standards established by the National Governing Body or Paralympic sports organization for the sport in which the athlete competes.

**Authority:** When one person's position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person. Also see the [Power Imbalance definition in the SafeSport Code](#). Members with authority include but are not limited to: registered coaches and referees, medical officials, NGB and NMO staff and board members, and volunteers during sanctioned events or practices.

**Close-in-Age Exception:** An exception applicable to certain policies when an Adult Participant does not have authority over a Minor Athlete *and* is not more than four years older than the Minor Athlete (e.g., a 19-year-old and a 16-year-old). Note: this exception *only* applies within the prevention policies and *not* regarding conduct defined in the SafeSport Code.

**Dual Relationships:** An exception applicable to certain policies when an Adult Participant has a dual role or relationship with a Minor Athlete and the Minor Athlete’s parent/guardian has provided written consent at least annually authorizing the exception.

**Adult Participant Personal Care Assistant:** An Adult Participant who assists an athlete requiring help with activities of daily living (ADL) and preparation for athletic participation. This support can be provided by a Guide for Blind or visually impaired athletes or can include assistance with transfer, dressing, showering, medication administration, and toileting. Personal Care Assistants are different for every athlete and should be individualized to fit their specific needs. When assisting a Minor Athlete, Adult Participant PCAs must be authorized by the athlete’s parent/guardian.

**Paralympic Sport Organization (PSO):** an amateur sports organization recognized and certified as an NGB by the USOPC.

**U.S. Olympic & Paralympic Committee (USOPC):** A federally chartered nonprofit corporation that serves as the National Olympic Committee and National Paralympic Committee for the United States.

**In-Program Contact:** Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport. This includes but is not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

**Regular Contact:** Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). In the spirit of the moral code of judo, USA Judo requires adult members to self-certify whether or not they considered having “regular contact” with minors based on the aforementioned description. If an adult member is unsure whether or not they have “regular contact” with minors, USA Judo encourages those individuals (and their clubs) to err on the side of caution and complete the SafeSport Training and Certification. USA Judo, in cooperation with USA Judo Clubs and all LAOs, has the right to randomly review and assess members who may have regular contact with minors and require compliance if/when considered necessary by USA Judo Leadership.

## PART I EDUCATION & TRAINING POLICY

#### 3. Refresher Training

The above listed Adult Participants must complete a refresher course on an annual basis, within 12 months after completing the *SafeSport Trained Core*. Every four years, Adult Participants will complete the *SafeSport Trained Core* training. Medical providers can take the Health Professionals Course in lieu of the *SafeSport Trained Core* and are required to take the refresher courses on an annual basis if they meet the criteria for A(1)

### B. Minor Athlete Training

1. USA Judo, as well as all NMOs and LAOs, must offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse **on an annual basis.**
2. The Center offers youth courses, located at [www.safesporttrained.org](http://www.safesporttrained.org) that meet this requirement.

### C. Parent

1. USA Judo, as well as all NMOs and LAOs, must offer training to parents on the prevention and reporting of child abuse **on an annual basis.**

Adult Participants serving in a volunteer capacity, who will not have regular contact with or authority over Minor Athletes, should take the Center's brief Volunteer Course (or *SafeSport Trained Core*) before engaging or interacting with any Minor Athlete(s). **Training other than the *SafeSport Trained Core* or Refresher does not satisfy this policy.**
2. Parents of Minor Athletes are provided free online access to the Center's parent course and are encouraged to take the training.

#### **E. Exemptions and Accommodations**

1. Exemptions from this Education & Training Policy may be made on a case-by-case basis for victims/survivors. Requests may be made directly to the U.S. Center for SafeSport at the following email: [exemptions@safesport.org](mailto:exemptions@safesport.org).
2. The Center will work with USA Judo on appropriate accommodations for persons with disabilities and individuals with limited English proficiency to satisfy these training requirements. USA Judo, as well as all NMOs and LAOs, must provide reasonable accommodations and track any exemptions for individuals with disabilities and individuals with limited English proficiency.

## **PART II**

### **ORGANIZATIONAL REQUIREMENTS FOR EDUCATION & TRAINING AND PREVENTION POLICIES**

USA Judo has implemented proactive policies designed to prevent abuse. These organizational requirements are described below:

#### **A. Organizational Requirements for Education & Training**

1. USA Judo, must track whether Adult Participants under the organization’s jurisdiction complete the required training listed in Part I.
2. USA Judo must, on an annual basis, offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse.
  - a. For training to Minor Athletes, USA Judo must track a description of the training and how the training was offered and provided to Minor Athletes.
  - b. USA Judo is not required to track individual course completions of Minor Athletes.
3. USA Judo must, on an annual basis, offer training to parents on the prevention and reporting of child abuse.

#### **B. Required Prevention Policies and Implementation**

1. USA Judo must develop minor athlete abuse prevention policies that contain the mandatory components of the Center’s model policies in Part III. These model policies cover:
  - a. One-on-one interactions
  - b. Meetings and training sessions
  - c. Athletic training modalities, massages, and rubdowns
  - d. Locker rooms and changing areas
  - e. Electronic communications
  - f. Transportation
  - g. Lodging
2. The policies must be approved by the Center as described in subsection (C) below. The policies may include the recommended components in Part III and the recommended policies. Given the uniqueness of each sport, however, some recommended components or policies may not be feasible or appropriate. USA Judo may choose to implement stricter standards than the model policies.
3. USA Judo must also require that its LAOs implement these policies within each LAO.
4. USA Judo must implement these policies for all In-Program Contact.
  - a. At sanctioned events and facilities partially or fully under USA Judo’s jurisdiction, the organization must take steps to ensure the policies are implemented and followed.
  - b. For In-Program Contact that occurs outside an USA Judo’s sanctioned event or facilities, implementing these policies means:

*USA JUDO: Minor Athlete Abuse Prevention Policies*

- i. Communicating the policies to individuals under USA Judo’s jurisdiction;
  - ii. Establishing a reporting mechanism for violations of the policies;
  - iii. Investigating and enforcing violations of the policies.
5. USA Judo must have a reporting mechanism to accept reports that an Adult Participant is violating the minor athlete abuse prevention policies. USA Judo must appropriately investigate and resolve any reports received, unless the violation is reported to the Center and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

### **C. Policy Approval and Submission Process**

1. USA Judo may adopt the MAAPP as-is or adapt it to fit their needs. Regardless, USA Judo must submit the policies to the Center at [compliance@safesport.org](mailto:compliance@safesport.org) for review and approval by January 31, 2021. The Center will approve, approve with modifications, or deny the policies. If the Center denies the proposed policy, the mandatory components of Part III become the default policy until the Center approves the policy.
2. USA Judo must require their LAOs to incorporate the mandatory components of Part III. USA Judo may require that their LAOs implement the NGB’s policies, which may be more stringent than the policies in Part III.
3. USA Judo may, in its discretion, require its National Member Organizations (NMO) to implement these policies.
  - a. An NGB that chooses to require its NMOs to implement the Education & Training Policy must obtain advanced, written approval from the Center to expand the training access to additional persons. Requests must be submitted to [ngbservices@safesport.org](mailto:ngbservices@safesport.org).
4. The mandatory components of Part III will serve as the default policy for any organization that fails to develop its own policy as required by this section.

## PART III REQUIRED POLICIES

The U.S. Center for SafeSport recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse. Definitions of most terms can be found in the Terminology section on page [7](#).

### ONE-ON-ONE INTERACTIONS

---

1. All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be **observable and interruptible**, except in emergency circumstances.

This includes, but is not limited to, any event or meeting that is sanctioned by USA Judo or registered clubs/stage organizations such as competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.
2. The exceptions below may apply to specific policies, and if the exceptions apply, they are listed in the policy. These exceptions also apply to all one-on-one In- Program Contact not specifically addressed in other policies:
