## **MINOR ATHLETE ABUSE PREVENTION POLICY (MAAPP)**

USA Judo defines "regular contact with minors" as meaningful or direct contact or oversight with minors that would be considered frequent, repeated or consistent. By way of example, an adult who will often assist with coaching/leading classes including minors would be considered "regular contact" with minors and is required to complete the SafeSport Online Training/Certification Course. An adult who may "drop in" to coach and/or practice with minors on occasion would not be considered frequent, repeated or consistent and would not need to complete the SafeSport Online Training/Certification Course. In the spirit of the moral code of judo, USA Judo requires adult members to self-certify whether or not they considered having "regular contact" with minors based on the aforementioned description. If an adult member is unsure whether or not they have "regular contact" with minors, USA Judo encourages those individuals (and their clubs) to err on the side of caution and complete the SafeSport Training and Certification. USA Judo, in cooperation with USA Judo Clubs, has the right to randomly review and assess members who may have regular contact with minors and require compliance if/when considered necessary by USA Judo Leadership. The USA Judo SafeSport Handbook can be found at [www.usjudo.org](http://www.usjudo.org).

## **RULES AND METHOD OF COMPETITION**

The Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for the USA JUDO Youth National Judo Championships. Athletes competing in junior divisions do not have to be enrolled in academic institutions to be eligible to compete.

**Competition Method:** The standard ("true") Double Elimination System with winner's and loser's brackets will be used. The winner of the loser's bracket will compete against the winner of the winner's bracket for 1st and 2nd place. The first one of these two contestants to have two (2) losses will be placed second; the other will be placed first. The loser of the loser's bracket will be placed 3<sup>rd</sup>. For categories of under-five contestants, round robin will be the method of competition.

### Round Robin Clarification:

- If Athlete A pulls out before finishing competition against other athletes in the category and does not go out onto the mat, all points won or lost associated with Athlete A are removed. No medal is awarded to Athlete A

- If Athlete A, who did not finish competing but went out onto the mat, they are eligible to medal.

**Seeding:** There will be no seeding except for the IJF-Junior and Cadet categories. The top four athletes will be seeded in each division. If seeded athlete is not present, the other athletes WILL move up in seeding. Players having the same state affiliation will be placed as far apart in the bracket as possible.

Juniors winning medals in the IJF-Junior, Juvenile, Cadet, Intermediate, and all Bantam divisions will be awarded 10 points for a gold medal, 6 points for a silver medal and 4 points for a bronze medal on the Junior Elite National Roster that corresponds to his or her weight division.

Juniors will not be awarded points for the Junior Elite National Roster for winning medals in collegiate categories. There will be no points awarded in the Collegiate Categories.
